How do I use the Spiritual Soap?

- You can stand or sit on bench/stool in dry tub or shower stall using GMANI's products, allowing the water to run free
- Wash with regular soap first
- Turn on the water and wet your entire body.
- Soap up your entire body creating a very thick lather from head to toe.
- While soaping up, pray or meditate from your heart for all your desires and needs.
- When you are finished soaping up, rinse your entire body.
- Do this 1-3 times and when finished, pat dry with a towel.

How do I use the Spiritual Sugar and/or Salt Scrub?

- In the shower, mix the contents of the jar with your finger or GMANI scoop to evenly distribute the oils before applying to your skin.
- After washing your body, while your body is still wet, take a GMANI scoop of Spiritual Sugar or Salt Scrub
- Put the scrub into your hand with a teaspoon of water
- Gently rub the scrub all over your body. Massage gently.
- Meditate or pray for your heart's desires.
- Rinse your body with warm water
- Pat dry
- Use caution and make sure there is a non-slip shower mat, as the oils can make shower and bath surfaces slippery.

Once you finish bathing, do not take a shower with regular soap after using GMANI's Spiritual Soap and/or Spiritual Sugar/Salt Scrub. After bathing, make sure that you take 15 minutes to be still and calm, without talking. Meditate or pray during this time.
